Certificate of Compliance

Product MD444

To whom it may concern,

We hereby certify that Product MD444 is designed and manufactured in Senneville, Quebec, Canada, by Kleton Manufacturing, and welded by Canadian Welding Board certified welders.

Product MD444 has been tested by Kleton Manufacturing to conform with the ASME B56.1 safety standard where pertaining to "Platforms used for elevating personnel", when the proper safety harness and lanyard are worn.

A handwritten signature in blue ink, appearing to read "Andrew Cunningham".

Andrew Cunningham
Kleton Manufacturing Inc.

Important notice to purchaser: The following is made in lieu of all express or implied rights, warranties and conditions, statutory or otherwise:

sellers and manufacturers only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use, and the user assumes all risk and liability whatsoever in connection therewith.

The foregoing may not be altered except by an agreement signed by the officers of seller and manufacturer.
