UNDERBED TRUCK BOXES

- 3-point locking system locks the door at the top and on both sides for strength and durability and draws the high-strength door tight against the bulb-shaped weather stripping to seal out moisture and dust
- Rotating T-Handle draws the door tight against the weather stripping, and drill resistant lock cylinder prevents break-ins
- Heavy-duty housing covers the locking system and locking rods to prevent damage and jamming. Housing adds extra strength to the door
- 3/4" wide rain gutter surrounds the door opening to channel moisture around the opening to protect the contents
- Quick-release keyway connectors allow the door end of the support cable to be easily and quickly disconnected to allow the door to drop down
- **Steel underbed truck box** has industrial grade hinges for the have rugged 3" long, 7/8" outside diameter hinges with 1/2" diameter stainless steel pin
- **Aluminum underbed truck box** has continuous 3/8" diameter hinges with 1" knuckles for superior strength and durability
- Available in steel Armor-Brite™ powder paint or 0.100 gauge aluminum
